

Convex Processing - Feature #609

use fft from eigen

11/08/2009 09:54 PM - Thomas Capricelli

Status:	New	Start date:	11/08/2009
Priority:	Normal	Due date:	
Assignee:	Thomas Capricelli	% Done:	30%
Category:	Math	Estimated time:	0.00 hour
Target version:	1.2		
Description			
There's work in progress to include fft in eigen, once done : moved to it. It can use fftw as backend, so keep on using this.			

History

- Category changed from General to Math

#2 - 11/29/2009 10:33 PM - Thomas Capricelli

- Target version set to 1.2

#3 - 11/30/2009 05:27 PM - Thomas Capricelli

- % Done changed from 0 to 30

done for 1D. Eigen does not support 2D yet, so we have to wait for this.
